Men's Walk 1512 Lay Director

August 27-30, 2009
Gene Sueltenfuss

We have had three wonderful, inspiring, spiritual team meetings. The talks we heard have been uplifting and makes us SHOUT OUT, "Joy to the Lord"! We have one more team meeting at Camp Young Judea on August 15. Then the Walk - WOW! How fast it comes! We have 13 confirmed pilgrims. So we are a little over a third there. We need to keep fishing and land a few more in the *Boat for Christ*. It will happen. Walk dates are August 27 - 30. We ask for your continued prayers for the team (inside and outside), the agape providers, the registered pilgrims, and the ones NOT yet selected by God. For as we all know we are on God's Clock. Thanks to each and everyone of you for your support for WALK 1512. God's Grace and Love, Gene

Women's Walk 1537 Lay Director

November 19-22, 2009
Reba Hilgers

Walk 1537 is moving forward! We had our first team meeting July 25 at Dripping Springs UMC and the Team is really looking forward to getting to know one another and becoming the instruments we need to be to serve the Pilgrims. We now have 10 registered Pilgrims! So keep those Pilgrim applications coming! We are starting to fill the Agape Needs list and are thankful that several items are already promised. If you would like to volunteer for any of the needed items, please email either me (rhilgers3@gmail.com) or Kim Smith at (kdsmith@cvs.com). If you want to help with the Outside Team, please contact Jim and Judy Tennison. Please keep this Walk, the Team and the Pilgrims in your prayers as we plan and prepare. Blessings, Reba

Christ is counting on you.

Christ is counting on you.

Where have you volunteered to serve Him?

Do you remember receiving your Emmaus cross?
You were told that Christ is counting on you.
More importantly, do you remember your answer?

I am counting on Christ.

Well, the Emmaus movement has been very successful, maybe too successful. Many of you have gone back to your churches to serve, and that's great! Unfortunately, many of you haven't left any time for Emmaus, and the community feels the loss. We want you to come back and join us! If you found your Emmaus Walk helpful and still think it ought to be shared with others, please look for ways to get involved again. Many of us have been praying over and wrestling with the issue of Emmaus participation *at both the local and community levels*. If you feel called to participate in some way, please contact either your local or community representative.

Keep the Fire Burning - Christ is counting on you.
